Bayshore Condominium | Jeff Mills, Facilities Committee | 678-776-0597

Project: 925 N. Halifax Ave

Subject: Large Missile Hurricane Impact Rated Front Set Storefront

To Provide and Install the following product based on the following conditions:

▪ **Scope of Work**

- Install Large Missile Hurricane Impact Rated Storefront w/ Entrance

▪ **Constraints on Proposal**

- No Plans, Specifications, or Design Pressures received
- Alpha Omega Glass carries insurance above that required by the state of Florida
- Work to be completed during normal business hours. Mon-Fri, 7:00am-3:30pm
- **Any work discovered as a result of this Scope of Work (i.e. Concrete Restoration, etc.) to be completed By Others under separate contract and separate permit.**
- **Existing Awning to be removed (by others) prior to our scope of work.**

▪ **Products**

- Aluminum Storefront
 - Large Missile Hurricane Impact Rated
 - Front Set Storefront System
 - 1-5/16" Laminated Insulated Glass
 - 1-1/4" x 4-1/2" Aluminum Framing
- Stanley Dura-Storm Series 3000 Bi-Parting by Stanley
 - One (1) 12-0'x7-0' – OXXO w/ Transom – 84" + 8" Header + Transom
 - Large Missile Hurricane Impact Rated
 - 9/16" Laminated Glass
 - SU-100 Directional Motion Sensors, "Stanguard" Infrared Safety Sensors, Doorway Holding Beams, Six Position Rotary Switch, Medium Stiles, Steel Loaded (as required by FL Prod Approval), Wind Dampers, Threshold TBD
 - Exclusions: 120 volts AC to operator locations, conduit, control wiring, back boxes and low voltage wiring (2 #18's) from activation device to door head, external power supply, intercom, and card reader
 - Activation Devices (Card Readers, Keypads, Push Buttons, etc.), their power supplies, wiring, and installation are By Others
 - Interior motion sensor set to 48"
 - Electric lock set to "fail secure" so it will remain locked after loss of power. Customer responsible for compliance with all egress requirements.

▪ **Quantities**

- Aluminum Storefront
 - Four (4) 200' x 114' Openings
 - One (1) 528'x114' Opening w/ 12-0'x7-0' Automatic Door and Transom

▪ **Color/Finish**

- Metal White Paint
- Glass: Standard Clear w/ Low-E (Cannot guarantee exact color match to existing glass)
