Re: Structural Engineering  
Garage Fireproofing Repairs

Dear Mr. Hinckley,

This will serve as our revised proposal to provide Structural Engineering Services repair procedures, and specifications, for cleaning and application of new fireproofing for the structural steel columns, base plates, and beams in the basement parking garage.

**INCLUSIONS:**

1. Research method of repair and discuss materials and methods with the technical representative of the fireproofing supplier.
2. Provide details, specifications, and options for the various repairs.
3. Provide a Final letter of inspection indicating that the work has been completed in accordance with the requirements of the 2020 Florida Building Code.

**EXCLUSIONS:**

1. Attendance at meetings of any type.
2. Labor and materials to perform the work.
3. Any work not specifically included under "Inclusions" above.

**FEE:** \$ 3,000.00

**INSPECTIONS:** if required, will be billed at \$600.00 each.

**TERMS:** \$ 1,500.00 with signed proposal and notice to proceed.  
\$ 1,500.00 upon receipt of signed and sealed repair plans for Permit.

**ADDITIONAL WORK:**

For any work not included above, if required, will be billed at the rate of \$ 200.00/hr.

*Terrie Quirk, President*
