DATE	DESCRIPTION	RATE
------	-------------	------

**Camera Work**

Pipe Restoration Solutions proposes to perform camera and trace work of the main drainage line located under the parking garage slab for Bayshore Bath & Tennis Club to inspect and locate any problems at the above location.

Anticipate (1 to 2) days to complete

Our fees are as follows:

Day rate - \$2,150.00

Above pricing includes drive time and onsite time. We will provide you a link to your video of the work performed, mark lines accordingly, and provide you the information needed to solve your piping problems. We investigate problems as an outside third party to provide you with factual information for you to decide your next step.

Please contact our office if you have any further questions or would like to schedule an appointment.

TERMS: Balance due at completion of service /Proposal is valid for (90) days.

Thank you again for the opportunity to serve your needs.
