

Dear unit owners:

Our painting project will commence in 2025 and we want unit owners to choose the design and paint color. First we will have a vote on the design; and, following that, we will have a vote on color. Attached are the four design choices and a ballot to choose one of those designs. **The colors on the designs are just examples.** Unit owners will have the opportunity to choose among several color choices to be narrowed down by whichever unit owners attend a meeting for that purpose, at a date to be determined after the design vote.

The electronic ballot is our trial run for this method and we are hopeful unit owners will try this out as it will be cost effective rather than bulk mailing for our annual meeting. Owners preferring to receive the ballot by email or mail will receive their ballot in that manner and can email, fax or mail their ballot back to the office.

If you have any questions regarding the voting, please contact the office.

The deadline for voting is May 6, 2024.
