Re: Replace DCW valves

Dear Mr. Hinckley,

W.W. Gay Mechanical Contractor, Inc. is pleased to offer the price of **\$9,920.00** to replace two 6" DCW valves and 3 other miscellaneous 1 1/4" copper repairs. The 6" valves are located in the pump room. The three miscellaneous repairs are located in the following areas Storage Locker A, Bike Storage, and the Men's Card room.

There will be a add of \$1,000 dollars to do work after hours or on the weekend.

Our price includes:

- Regular time labor 7am.-3:30pm.
- (2) 6" Nibco LD2000 butterfly valves with gear operators. One valve will have a pull chain on gear operator.
- We will use 6" 304 stainless steel piping to replace piping in between the 6" DCW valves
- We will use (3) 1 1/4" brass Nibco ball valves and type L copper for the 3 miscellaneous repairs

Our price excludes:

- Engineering and Drawings
- Permits
- Paint
- Power or controls
- W.W. Gay will assist with draining under direction of owner.

Pricing is valid for 30 days from date of proposal. If you have any questions or require further information, please do not hesitate to call.

Sincerely,

Jason R. Strickland
